

## **Security Guidelines**

### **What to do**

Beginning this season we will have a Police officer on duty at the Complex. Please remember that we have a Zero-Tolerance policy towards referee abuse, inappropriate language, and altercations at the soccer Fields. In addition we ask that you leave your pets at home and refrain from smoking or bringing alcohol onto the Complex.

There will be 4 ways that you can report problems at the Complex this Fall. They are: At either the **Field 1 or 4/5 Tent locations**; **The main Canteen area**; **The roving golf Cart**. Each of these areas will have walkie-talkie communication to a **Board Member** and the **Police officer** on duty. Please use these avenues at the first sign of trouble in the Complex.

Thank you.
